## In Memoriam

For her devotion for twenty years to the teaching of high school boys and girls the fundamentals of Mathematics, her loyalty, timely counsel, friendship, leadership in every phase of school life, and Christian example, we, the students of Heavener High School, are grateful. Her spirit which is akin to God will remain a part of us forever.

To the memory of Mrs. Verdie Gose, our friend and companion through the years, we tenderly and lovingly dedicate this our 1946 "WOLF."

## CLASS HISTORY

In the fall of 1942, we, the seniors of 1946, began that voyage commonly called "high school", as a class of 99 eager, education pursuing students. Never was a class more industrious in school work (?), or loyal in the participation and support of activities. And so we smoothly passed the first league and on into the second.

We were still loyal and industrious even though many of our members were going into service and war work so that our number had greatly decreased.

Then the launching upon the third league. We were more earnest then because war had brought the realization of what the privilege of attending a public school in a democracy like ours really means. Each did his duty, individually and as a class, to support the war drives and benefits. Then, suddenly, the war was over and

We happily and triumphantly began the last league of our voyage by welcoming back among us those who had gone to war. We, the seniors of '46, stately and dignified, approach the end of our voyage where we launch upon a greater one. "Success", we are coming eagerly to meet your halfway. May we always keep our lives pure and true to the highest of ideals and meet each blue day with a will to "do our best better." Surely then every cloud will have a silver lining.

CONGRATULATIONS—

*Seniors of 1946*

Congratulations and the wish,  
The warm wish, that you may  
See many, many glad returns  
Of this delightful day . . . . .  
And there's another wish, of course,  
Wished very warmly, too,  
May joys, like school days,  
Be plentiful for you!
